This is the Sportsman Getaway home you have been looking for. 2 bed 2 bath with a 2 car garage and a fenced yard just minutes from the Pigeon Creek boat launch on Lake Norfolk. This home has a fish cleaning station and a deer processing station for the avid outdoors lovers. The kitchen was recently renovated to create a great open-space area with gorgeous hickory cabinets, new lighting and flooring. There is a beautiful hickory book case along the living room wall. The garage has 2 bays, one boat deep. Just inside the home from the garage is a multi-purpose room that could be a mudroom, pantry, office, or additional storage. There is also a concrete pad for RV/Trailer parking on the side of the garage. Gorgeous attention to detail renovations were underway but life changes, making this your opportunity to finish the home with your own touches. Most materials to complete the renovation are included.
